

INFORMATION ON FINANCIAL AID FOR INTERNATIONAL* STUDENTS
(*holders of non-US passports)

Sarah Lawrence College awards limited, need-based financial aid to international students.

Many international applicants often ask, "Do I qualify for financial aid from Sarah Lawrence College, and if so, how do I get aid?"

Students also frequently ask about scholarships. Sarah Lawrence, as a highly selective college, does not offer specific "merit scholarships." We do, however, take a student's academic and personal merit very much into account when we make our admission decision. After we decide to admit a student, the College awards financial aid to a student based upon the student's demonstrated need. We offer financial aid to all students who have demonstrated financial need and we try to fund those students as fully as possible to enable them to study at Sarah Lawrence College.

To apply for financial aid, you will need to send the following documents:

1. The **Sarah Lawrence Application for Financial Aid for International Students** is a two-page form that the Office of Admission can send you or you can download this from our Web site. To do this, go to http://slc.edu/admission/financialaid/International_Aid.php. It is extremely important that you and your parents fill this form out accurately and submit it on time.
2. You will also need to supply either translated tax returns or translated statements of income from employers of your parents. Some countries do not have income tax and so you will not be able to furnish us with tax receipts. Even if this is so, we will still need official documentation of annual income. An official letter on company stationery from an employer, for example, is acceptable. We need to have as much information and documentation as possible about your income and assets in order to assess your financial need.

Both of these documents should be sent to the Office of Financial Aid, postmarked no later than January 1, 2008. For Early Decision I and II, forms must be postmarked no later than November 15 and January 1, respectively.

When the Office of Financial Aid receives both documents, your application for financial aid will be considered complete. Once the Office of Admission makes an admission decision, your financial aid package will be calculated. Notice of your financial aid award will accompany your admission decision letter.

If you have further questions, please feel free to contact us. We wish you the best of luck in your college application process.
