

Sarah Lawrence College Financial Aid Parent Loan for Undergraduate Student (PLUS) Certifications and Statements

The Parent Loan for Undergraduates Student (PLUS) Certifications and Statements is the form whereby the parent of an enrolled or committed undergraduate student of Sarah Lawrence College authorizes the Office of Financial Aid to pre-print and pre-certify a PLUS application on his or her behalf. The maximum amount of loan eligibility is the total cost of tuition, room, board and fees minus any financial aid the student has been awarded.

Instructions:

1. Because the Federal PLUS program allows lenders a certain amount of flexibility in determining the parameters of the PLUS loans they offer, it is important that you familiarize yourself with the differences in the loans available. Information concerning a lender's PLUS can be obtained by calling the lender. Most lenders have Web sites, and information can be obtained online. Once you have familiarized yourself, select the loan (and lender) best suited to your needs.
2. Read carefully and fill out the PLUS Certifications and Statements form, being sure to include the social security number of the parent whose name will appear on the loan (only one parent's name can appear), the maximum amount for which you wish to apply, and the name of the lender to whom you wish to apply.*

Keep in mind that, because you may wish to borrow less than you are eligible for, maximum eligibility is not necessarily the same as the maximum amount of the loan. If you leave the maximum amount space blank on the form, we will automatically apply for your maximum eligibility.

3. Return the form by mail or by fax to the Financial Aid Office:

Financial Aid Office Fax: 914-395-2676
Sarah Lawrence College available 24 hours a day
One Mead Way
Bronxville, NY 10708

4. Once the loan is certified by the Office of Financial Aid and approved by the lender, the lender will send you a promissory note which you must complete, sign and return to the lender. Funds will not be disbursed on the loan until this step has been completed.

*Please only use this form if you are not planning to use an SLC recommended lender (SLC Partners, Preferred Lenders, Approved Lenders). Please write the name of your chosen lender on the bottom of this form. You will be required to obtain a paper application directly from the lender, complete the borrower section of the application and file it with your lender. Send the School Certification section directly to the Office of Financial Aid.
